Data Entry Type: Unique ID per parent/caregiver. Please do not use the parent's name, birthdate, or other private information as the ID.	All participants should have a household id. If participants are part of the same family or household they should have the same household id. Participants do not have to live at the same address to be considered part of the same family or household. For example: A parent brings a child to a session and then on another date an elder relative brings the same child. They can all be counted as part of the same family or household. This is necessary for FY 26-27, it was optional for FY 25-26.	Data Entry Type: Drop Down, Yes for all Categories of Race/Ethnicity that may apply to a Parent/Caregiver.
