All participants should have a household id. If participants are part of the same family or household they should have the same household id. Participants do not have to live at the same address to be considered part of the same family or household. For example: A parent brings a child to a session and then on another date an elder relative brings the same child. They can all be counted as part of the same family or household.

This is necessary for FY 26-27, it was optional for FY 25-26.
